Terry OMahoney	<p>Hello All,Â I crewed a UH-1H (71-20040) in HHT back in 77-78.Â We were at Schofield and Wheeler back then.Â About a year and a half ago I was in Kuwait... going forward and flying 60's... I saw some guys wearing the shirt at Camp Berring...Â I approached them and they gave me a couple of ball caps with our Logo... pretty cool.Â The old 3/4 did our ground security outside of JBB... no helicopters, or Sheridans... but it was awfully good to see them.Â Most of the troopers I talked to hadn't even been born when I was in HHT.Â What a great bunch!</p>
Nancy Foss	<p>I would have loved to attend this year's reunion, but was unable to. My husband, Dean A. Foss, sr served in Vietnam 1967-1968. We attended the reunion that was held in Mississippi in 1996. It was a great time. As a lot of you might know by now, Dean passed away in December. We had talked about the reunion. He was proud to have served with all of you. May you all stay healthy and enjoy life to the fullest. To all of you who sent cards to Dean, God bless you. If I am able to , I will try to attend your next reunion, just let me know where it is going to be. Love to all, Nancy Foss</p>
Nancy Foss	<p>I don't know why when I said tat Dean Passed away, they blocked it out. Just wondering why.</p>
Nancy Foss	<p>Guess they don't print that he died. Sorry that I keep writing, just curious that they didn't print that he had past. There I spelled it different. See what happens.</p>

Michael Eisele	<p>My Uncle, Jean Paul Eisele, served in the 3/4 in 1968-1969. He passed away in 1987. I pulled out some old letters he wrote to my father during that time. Just wondering if anyone remembers serving with him in Vietnam.</p> <p>Thanks.</p> <p>^</p>
Spc P Edmonds	<p>Was looking up information for our squadron and so glad I found this site, I served under LTC Honde and CSM stout and worked very close with both of them, I nor this entire squadron could have asked for a better leadership then what they have given, we lost an outstanding leadership. You two will always be remembered and what kept 3-4 alive in the past years. I hope both of you are enjoying your new duty stations, and to whom ever made this site, its awesome :) and to CSM stout, NAM!</p>

Lisa Hopkins	<p>My Mom's cousin William Mohrhauser was killed in action while in Vietnam. He and my Mom were cousins and grew up in a tiny town in Northwest Iowa called Danbury. Bill's Mom is my Great Aunt Adeline and a wonderful woman who sustained a lot of loss in her life, not least of which was Bill's death.</p> <p>This Veterans Day I did some on-line investigating and found a lot on Bill, which peaked my curiosity. I had seen his name on "The Wall" via the net years ago but I found another site that had his medals etc and info from his death, very surreal. That same site had a memo from a fellow soldier that served with Bill and he had spoken to Aunt Adeline and I believe CO Headly had as well. (I could be wrong, my head is kind of spinning) I'd like to know exactly what he did, hard for a civilian to understand the military lingo and with the changes in the unit (not sure if that is the appropriate term). I'm also trying to learn about my Father's time in Vietnam, we are estranged. I'm going to make a request for records and hope to learn a little about what he went through in his lifetime. Thank you is not enough for what you've done for our country! Also, thank you for your time and energy putting this site together!</p> <p>Lisa Hopkins William "Bill" Mohrhauser's second cousin</p>

Good Luck and God speed to all... "Prepared and Loyal"; C34 "Criminally Insane"; ^</p>

Robert D Stephens	<p>I was assigned to HHT in 1966 at the S3 shop. I worked for and with Charlie Deel and Rocky. Returned Feb 1967. I returned to the 3/4 Cav in Hawaii in 1978 assigned to A Trp and later HHT.</p>

<p>Bobby</p>	<p>All, Please look at the calendar and you will see we have 58 days till our 2012 Reunion starts. We have put a lot of time, energy, meetings, phone calls and discussions into this reunion. This will be by far the biggest Reunion we have ever had, so don't miss out, register today before we are sold out. Everyone who expects to come should have sent registration to Dave Cox or plan to do so ASAP, this week. We have to give head count to the hotel so they can plan the meals for our Saturday night banquet and other things we are hosting. Opry on Friday night is something everyone should do when you come to Nashville, TN..... Better get the checkbook out and do that registration today. Cecil Booth	<p>It has been a long time coming home but since I found this site, I think I made it. Looks like the 3/4 has been really busy since I left Hawaii (Schofield) in 63. I want to thank all of you that followed me in this unit and performed above and beyond the call on all the duty stations involved. My thanks again, troopers. ^</p>
Jerry Brownfield	<p>May you rest in peace Lt. Russell Steindam the only 3/4 CAV Medal Of Honor award winner who was KIA on 2-1-1970 in Vietnam. You would be proud of you son Russell Steindam-Matthews who followed in your footsteps and now is a Captain in the US Army leading his own soldiers into battle. Since your son was born 23 days after you were KIA you never got a chance to see him grow into a great leader like his dad. Sgt Jerry Brownfield 3rd Platoon B Troop 1969-1970</p>

Jerry Brownfield	<p>I would like the D Troop for allowing me a B & HHT troop member to attend their mini reunions held on Veterans Day each year. I really enjoyed getting together with fellow Vietnam Vets and just having a good time visiting and socializing. I was really overwhelmed with the Operation Welcome Home held at Dayton, Ohio for the Vietnam Veterans. There were about 600 Veterans that had a program and a meal served under the wings of a B-52 bomber at the National Airforce Museum in Dayton, Ohio. I am looking forward to the national reunion at Nashville to visit old friends and make new ones.</p> <p>Jerry Brownfield B & HHT Troop 1969-1970</p>

John Moore	Your webmaster will be at the 25th ID Association reunion from 24 Sep to 4 Oct.Â Hold web inquiries and submissions until 4 Oct. Thanks!Â John,

John Moore	<p>Regrettably the Millennium Maxwell House Hotel has informed us that all of the block of the house rooms are sold during our reunion, 16-21 May 2012.</p> <p>However, the following action has been taken or is ongoing:</p> <p>1. The hotel will create a "wait list" on a first call basis. If rooms become available they will release them to our group. You have to call the hotel, not the national reservations. Call 615-259-4343 between 8 a.m. & 4 p.m. If the desk is not aware of this tell them to contact their boss Mr. Chaplain.</p> <p>2. The hotel offered their "superior" upgrade room on the 9th floor at a \$115 room rate. They will hold 10 rooms for our group until 14 Oct.</p> <p>3. The Springhill Suites has been contacted. They are approximately .25 miles from the Millennium. They are holding 25 rooms for us at \$99 per night. Their # is 615-244-5474. The manager is Ms. Angela Lewis. When you call, they may not have the info in there system yet so tell the clerk to speak to Ms. Lewis. I will be visiting Nashville 28 Oct and will sign a contract then.</p> <p>4. I have contacted the Nashville CVB to ask for their assistance in finding other nearby motels/hotels. Other properties will be listed on our web and in our newsletter.</p> <p>I regret that all of us will not be staying at the Millennium; however, the hospitality room is huge and will hold us all. The banquet room is equally sufficient. Tours will originate from the Millennium.</p> <p>Nashville has so much to offer. Plan on to attend. You'll have a great time!</p> <p>Thanks! Jerry</p>
danny joe williams	Bobby why was B trp web site shut down
Barry	<p>Just a comment. I think somebody else said it but it's worth repeating "The 3/4 CAV has given me more than I can ever give back to the 3/4 Cav."</p> <p>I met some wonderful people in the 3/4 Cav in Vietnam. Many of these people are still my friends and they're the greatest guys in the world. Always look foreward to seeing them again at the reunions and miss the ones who can't make it or will never make it again.</p> <p>Cheers! Barry aka Andy</p>

Bobby	<p>All, I will be attending the upcoming Division reunion in Hawaii 9-26 to 10-1. We will go to Schofield on Friday and visit the troops with the rear detachment. Mahalo</p>
John Moore	<p>Ronald J. Haines passed away on 9/16/11 - he served as an SP5 in the 3/4 Cav during Vietnam from '67-'70. Ron passed away unexpectedly last Friday at the age of 67 leaving two sons and a daughter. Ron was a typical military type who never bragged about his service and only discussed his time in Vietnam when asked him specific questions. Pretty much what the family knows is that he spent time in Hawaii before deploying to Vietnam and served in some capacity with tanks - possibly as a driver, but we cannot verify that at all. Kevin O'Neill, his son-in-law, is trying to find out more about his service. "Basically my wife is about to have her 30th birthday in early October - she is heartbroken and so far the thing that has cheered her up the most is when we come across papers Ron kept about his time in Vietnam. So I'm really looking for a lead that might connect me to people that may have served with Ron and may remember him so I can find out more about what he did. Thank you in advance for your help - i know this is a long shot, but i figure it is worth the ask. Thanks! Kevin O'Neill</p>
danny joe williams	Right on Bobby i look everyday too

Sandy Munn	<p>This is in response to the wonderful page that was made for my brother-in-law Anthony Vanhulle II, who lost his life in Viet Nam in 1968.Â I wish you could have known him - regardless of the personal problems that he was dealing with - he gave his life so that we might have freedom.Â That was Tony - always putting others first.Â Â Â God bless you Tony - you are missed and loved!Â </p>

Sandy Munn	<p>I HAVE to say this.Â This is not one of those typical pages/tributes where a person just writes something then goes on with life and typically forgets about the person - Tony has been on my mind and in my heart every waking moment since 1968.Â He did not deserve to die - but it happened for the right reasons.Â He literally gave his life for the rest of us.Â Please everyone - realize how important and special these men and women are/were.Â I have a dear friend now that is a VietNam vet - and he suffers terribly from illnesses and memories!Â I worry about he and his wife.Â Please keep Glenn and Evelyn in your prayers.Â God bless you all!</p>
Jerry Headley	<p>We are cleaning up the trash that got onto our web.</p>

Stan Homiski	<p>New registration procedure is simple and foolproof</p>
Richard Sage	<p>Howdy to all, I was with C troop in 73 & 74. Joined the unit right after the return from Nam. Just looking for old friends.</p>

Bobby	<p>Well, last Saturday(August 25, 1968) was 44 years since we lost our Troop commander and was lucky enough to have a reserve step up from 3rd platoon. Yes, Jerry Headley was promoted via a radio call to CPT and Commander of B Troop.</p> <p>We lost several good men that day and had twice as many severely wounded. Danny King was one of those who was severely wounded and blinded at the same time. I am happy to say I keep in touch with him on a regular basis. Wish I could spend more time with him but he lives in Boston and thats a ways from Kentucky.</p> <p>My point is, VN will always be with us so as we grow older we need to find those Troopers who don't come to the reunions and talk them into coming just one time and see how it is. I'll be retiring this year and I plan on doing just that and getting someone to join us at the next reunion. At least that is one of my goals.</p> <p>Bobby "Bingo" Bingham Treasurer 3/4 Cav Chapter 25th IDA</p>

John Ryanryanjmr	<p>I served in F/4th in Tam My, RVN. After the war I was in Ft Ord and ran into Maj Kermit Larson, our former commander. Even though I was now a civilian he remembered me and commented that we all had done such a "great job" back then and how proud he was to have been our commander. I was very sad to learn that he had passed away. I just thought I would pass on that remembrance to all of you.</p>

Michael Mendoza	<p>Reflecting this Veterans Day on my experience while in Viet Nam. I was with B trp, 3/4 Cav., in 1968. I was also on DanKings track the day he was wounded. Later, I was also wounded and shipped to Japan. After a short tour of duty at Foot Hood, Tx., I volunteered to return to the 3/4 Cav. was assigned to C trp, from 1969-1970.</p> <p>I am blessed and honored to have served w/ our Cav. Jerry Brownfield	<p>After searching for 40 yrs trying to locate 1LT Steindam's son I finally made contact with Captain Russell Steindam-Mattews and sent him a fire fight tape that I made on 12-31-1969 and photos of the event. The tape had his dad #30 Platoon Leader 1LT Russell Steindam leading his men into battle during the firefight. Captain Steindam-Mattews was overwhelmed with hearing his dad's voice since Captain Steindam-Matthews was born 23 days after his dad was KIA on 2-1-1970. The fact that Captain Steindam-Matthews followed in his dad's footsteps and now is leading his own men into battle after being deployed to the far east several times shows the character of the Steindam family.
I was happy to send the tape to Captain Steindam-Mattews and hope that he might be able to attend the 2014 3/4 Cav Reunion in Texas and get a copy of the DVD made honoring his father by the Blanco High School girl who wanted to honor a fallen American Hero.</p>
coheenah	<p>I would like to quickly respond to the post by Filipina. Yes you can still make money as a veteran, staying online. Like a year ago, i was on blogspot, i got a contact from a post by one user, which today has changed my entire financial life for the better. As a veteran and unemployed i had to rely on pension, but with that contact my life turned around for good. To cut the long story short, i contacted this big oil firm, which employs people from across the globe, both skilled and unskilled, as online sales agents and staffs, i work with the company from my home and receive huge commissions per sale of their product. Now i make up to 150k a month, and depending on demand from buyers i make even more. presently they are recruiting fresh applicants, but employment is by random selection. If you'd like to try out your hand in this, you can write to the company's HR via email and inquire about their vacancies and recruitment via this email: agipoilcoy@aol.com.

Thanks.</p>

Jack T, Balnis	was a member of B troop 3/4 cav july 69-70 just found this site after all these years
Bobby	All, Yesterday we lost one of the most respected troopers I ever knew. General Otis passed away last night around 6:30 PM peacefully. I can not keep the tears back as I post this note so everyone who looks here will know we will never be the same. We have lost such a leader, soldier, friend, mentor and to many others to mention. I'm numb and almost speechless.
Tom Earley	I was a Scout Platoon Sergeant in A-Troop 3/4 Cav at Schofield Barracks from 1996-1999 and have been a life member of the 25th Infantry Division Association, and the 3/4 Cav Chapter since then. I hope to find and reconnect to old Cav Brothers. "Scouts Out"

Dee Endress	My oldest brother Sgt William J Endress was killed from wounds he recieved in Cambodia in 1970. He was not in Viet Nam a ver ling time, in fact less than 2 months. I was 11 when Bill died and I still think of him each day and miss him each day. My parents continue to maintain Bill's grave site with flowers, candles and holiday decorations. I am hoping someone may have a picture of Bill when he was in Viet Nam or perhaps a story I could share with my parents. God bless you all

<p>Phyllis Vick</p>	<p>Trying to find ANYONE that served close with my brother, Rudolph Whitaker.Â I know it was a long time
ago, but we are desperate to know a little about his last days. Still trying to find closure to a family tragedy that occurred well over 40 years ago. He was a member of 3/4 Calvary C Troop. He died in a battle in Pleiku on June 23, 1966.</p> <p>I know that a lot has gone on in the last 47 years of those that made it back, but I pray that someone still has a memory of him that you can share with my family. My mother and father is no longer with us, but the took his memory with them to the grave. I was barely 11 years old when he died but want to share as much about him with my children as possible.</p> <p>I am so grateful for all you guys have done, I do take it personal. I am grateful for what you continue to do.</p> <p>Phyllis Vick</p> <p>Â</p> <p>Â</p>
<p>Ed Fairchild</p>	<p>I just found this through Harry. We met at the Toledo OhioÂ Event June 5-June 9, 2013. Â Looking to find anyone who served in HHT 68 -69 Commo Section. It really hit hard when Harry told me Gen Otis passed away.</p>
<p>Stephen Petty</p>	<p>I was searching the Internet for 1LT Donnie L. Haynie and found the name of Donnie Haynie listed in the TAPS Foxtrot Troop as died on 3/1/84. Â Not sure if it is the same person.Â</p> <p>I was going through some old boxes and found pictures of 1LT Donnie L. Haynie when he was a Pathfinder with the 214th Combat Aviation Battalion Pathfinders. He made one of the few night parachute jumps in Vietnam on August 14th, 1967. Â I also have the Battalion Paper write up about the jump mission. Â Thought his family might like to have them.</p>

Dave Niehaus	i am searching for anyone who knew my brother RICHARD NIEHAUS ("Savage). He served in Trp A from 9/68 to 9/69. From what I can&A tell, he spent time on A track 11, 14, and 18. Rick passed 10 years ago. Just trying to get in touch with anyone that might have known himas he never talked much about that time in his young life.
steven j runnels	served in the nam oct69-oct70 just return to site after a long break . revamp is excellent. i T>C>'d c-26 like to make contact with craig candage, frank wiibougy(sp) and sam shultz if poss.
